THIS THING IS LEGENDARY®

A herd of cows is standing on a railway track. In the background, a train with the number 689 on its front is approaching. The scene is set in a wooded area with tall trees. The text "A herd that isn't protected with TrichGuard® is no better off." is overlaid on the image.

A herd that isn't protected with TrichGuard®
is no better off.

Trichomoniasis is a train wreck waiting to happen. Just one infected cow can pass it to your bull, and that infected bull can decimate a calf crop. Known to cause open or late-calving cows, trich can easily put your financial return in jeopardy. But there is something you can do. Vaccinating cows with TrichGuard® is proven to aid in the prevention of the disease. Visit www.bi-vetmedica.com, talk to your veterinarian or Boehringer Ingelheim Vetmedica, Inc. representative, or call (800) 325-9167 for more information.

r_schacher@msn.com • www.schacherauction.com

Dear Friends and Ranchers,

Welcome to the Fort Worth Stock Show for the 26th Annual Invitational Commercial Heifer Sale. I am proud to be a part of one of the largest and most successful events at Fort Worth.

This year's offering is certainly no exception to the quality you have come to expect from the cattle in this sale. This is a very powerful set of cattle to choose from. This set will fill the needs of the most discriminating cattlemen for any environment in the live-stock industry.

Please make plans to come early and enjoy all the wonderful activities the Fort Worth Stock Show has to offer. The Commercial Heifer Sale is very fortunate to have the Southwestern Exposition and Fort Worth Stock Show to recognize this event and provide a first class facility for the sale. While you are enjoying the Stock Show, please remember to visit our sponsor tables, which are located in the exhibit hall at the entrance of the cattle pens.

I would like to thank all of the people who pitch in to make this sale such a successful event, especially our Consignors for bringing top quality cattle every year. Also, I would like to thank our Sale Chairman, Phil Stoll, for the countless hours he contributes to the success of this sale.

If you have any questions or if you need any help with arrangements for your time in Fort Worth, please do not hesitate to contact me. I appreciate all of your interest in the sale. I look forward to seeing each of you on February 9, 2013.

Sincerely,

Robert Schacher

COMMERCIAL heifer show & sale

Saturday • FEBRUARY 9, 2013 • 3:30 PM

Fort Worth Stock Show • Will Rogers Complex • West Arena

2013 SALE TERMS

- Terms of the sale are cash or check payable at the close of the sale and prior to load out unless previous arrangements have been made with the sale manager.
- All cattle will sell in groups as determined by sale manager and they will sell times the money. Example: 10 head @ \$1000 ea. = \$10,000 for the group. All announcements from the block, including the number of head and calves selling in a group, will take precedence over any and all printed material.
- All cattle have had a negative Brucellosis test within thirty (30) days of the sale. In addition, all heifers are Official Calhooed Vaccinates and will have a OCV tattoo and a unique ID number. Cattle are ready for interstate transportation.
- Cattle have been veterinary checked and pregnancy information is on each health paper. Sale management does not guarantee the accuracy of this information, it is furnished to the buyer as a guide for approximate calving dates.
- Ownership changes at the time the auctioneer says "Sold". While we do everything possible to insure proper care of the animals after the sale, we do not take responsibility for death or loss of calves.
- The auctioneer will settle all disputes and his decision will be final.
- All cattle must be removed from Stock Show grounds by 6:00pm, Sunday, February 10, 2013. If this is a problem, please see sale management after the sale.
- Liability - All persons attending this sale do so at their own risk. The consignors, sale management and the Southwestern Exposition assume no liability, legal or otherwise, for accidents or loss of property.

SOUTHWESTERN EXPOSITION COMMERCIAL HEIFER SALE ANIMAL HEALTH INFORMATION

HEIFER CONSIGNMENTS... The sponsors listed on this page have provided the following products for all heifer consignments.

VIRA SHIELD 6 VL5 HB Novartis Animal Health's respiratory and reproductive viral vaccine that provides protection for IBR, BVD, NCP Types 1 & 2, BVD CP Type 1, PI3, BRSV, Vibrio, Lepto 5 and Hardiobouis Lepto. Providing effective broad-spectrum and long-lasting control with its state-of-the-art Adjuvant, Xtend SP.

CYDECTIN (MOXIDECTIN) POUR-ON is a ready-to-use topical formulation intended for treatment of infections and infestations due to internal and external parasites in beef cattle. Consult your veterinarian for assistance in the diagnosis, treatment and control of parasitism and for more information regarding the correct time to treat with CYDECTIN Pour-On.

CALVES-AT-SIDE... Products provided to the consignors for all the calves.

NOVARTIS 7 WAY (CLOSTRI SHIELD) Aids in the prevention of clostridial diseases, including blackleg.

VIRA SHIELD 6 Novartis Animal Health's respiratory viral vaccine that provides protection for IBR, BVD NCP Types 1 & 2, BVD CP Type 1, PI3 and BRSV, providing effective broad-spectrum and long-lasting control with its state-of-the-art adjuvant, Xtend SP.

The cattle industry is a very dynamic business. One way to ensure the future of the animals is through proper herd health management and vaccination. The above vaccination and deworming program is a start; a foundation to build your own herd health program. Representatives from Boeringer-Ingelheim, Novartis Animal Health and Animal Health International will be in attendance in Fort Worth on the weekend of the sale to answer any questions and discuss your herd health management program needs. See our ads in the catalog for more information.

Southwestern Exposition Commercial Heifer Sale Scholarship Program

A program that distinguishes the Southwestern Exposition Invitational Commercial Heifer Show and Sale as a very unique event in the Livestock Industry is our Scholarship Program. Annually we award scholarships to high school seniors who plan to seek higher education. The potential recipients are nominated by the ranches that participate in the Show and Sale. Those nominees are awarded the scholarships on the following criteria: 50% is based on financial need; 40% is based on Agricultural involvement and 10% is based on Academic Ability. We are proud to award ten - \$1,000 Scholarships annually.
